

HURUNUI DISTRICT COUNCIL

Election of THREE (3) Members for the Amberley Ward

Russell BLACK

Born in Christchurch I am 64 years old and have lived in the Hurunui district now since 1984 and been the Amberley District Councillor for the last term. My background is in farming, insurance, restaurants and the wine industry as a grower producer under the Black Estate brand. I believe I have a successful track record in all those disciplines and bring that experience to the Council table. I am totally committed to the Hurunui District. When I stood for Council in 2004 I gave certain commitments and I believe we have substantially achieved, or are close to achieving those goals but we are not there yet and it is for that reason I am offering my services to the community for a further three years.
