

HURUNUI DISTRICT COUNCIL

Election of THREE (3) Members for the Amuri-Hurunui Ward

Judy MEIKLE

One of your councillors for the Amuri

Have lived in the Waiau district for over 30 years, married with a grown up family.

Now in my 2nd term in office this past 3 years as your Deputy Mayor. This has kept me involved in all aspects of council.

I continue to be involved in local organisations, Waiau Citizens, Reserve management committee, both rural and township water committees, Amuri Arts council, Library, Rural Women New Zealand, to name but a few. This enables me to keep the local needs in front of council.

Where would our local communities be without all our volunteers? My thanks to all of you and what you do without question.

I look forward to working with you, to continue to strengthen our Rural communities in the Hurunui for this next term and beyond.
