

HURUNUI DISTRICT COUNCIL

Election of THREE (3) Members for the Amuri-Hurunui Ward

Russell GREGORY

I have been a Tutor in Chairmanship and a Registered Land Surveyor. Other accomplishments include being a Lieutenant Colonel in the Territorial Army and a Life Member of the Army Association (Canterbury) where I was responsible for setting up the City of Christchurch Army Cadets. I am a Life Member of the Canterbury Officers Club and a member of Christchurch Returned Services

Association. My background includes being Secretary and President of the Waiiau Citizens Association and Secretary, Vice President of the Amuri Lions Club. I have been President of the Amuri Sub Branch of the RSA. I have been a keen trumper and mountaineer and have tramped over most of the South Island.

I am engaged in setting up the Upward Bound Trust that has as its main object Safety in the Mountains. Not only will this help cut back our accident rate but will have a considerable commercial impact.
