

**HURUNUI DISTRICT COUNCIL**  
**Election of THREE (3) Members for the Amuri-Hurunui**  
**Ward**

---

**Wendy DOODY**

I have represented the Amuri Ward over the past six years and would be honoured to have the opportunity to continue for another three years.

My role in Council has been Chair of Works and Services (Roading and Utilities), this has been a rewarding experience and one I have learned much from. Chair of Road Safety and District Library, Council committees, Arts Council, Tourism,

Hanmer Springs Thermal Pools and Spa, Amuri Ward, and Amuri Water Schemes. On behalf of Council I attend Local Government meetings, and Roading Meetings, these informative sessions are designed to keep Council in touch with what is happening around the region and nationally.

Under the new Ward of Amuri-Hurunui I will be pleased to help represent the people of Hurunui having lived and worked there for a number of years.
