

# HURUNUI DISTRICT COUNCIL

## Election of THREE (3) Members for the Amuri-Hurunui Ward

---

### **Winton DALLEY**

With significant support and encouragement from the community I'm making myself available again as candidate.

My family and I've served the district for 30 years in numerous organizations and activities.

My Presidency of Canterbury and NZ Area Schools Assn, and Hurunui College Board Chair, provided experience in Governance, which I've found valuable on council, as did the

years I served on the wards committee, which I chaired, prior to becoming Councillor.

On your behalf I endeavour to deal with issues with honesty and integrity. I believe I've a track record of treating people equally, respectfully, to assist individuals and their issues without prejudice.

I take my responsibility seriously; my focus is to challenge unacceptable levels of service, particularly essential infrastructure.

I'm prepared to apologise for mistakes, and do whatever possible to rectify them.

My vision for Hurunui is a healthy, supportive, spiritually contented community, built on sound leadership and values.
