

HURUNUI DISTRICT COUNCIL

Election of FIVE (5) Members for the Hanmer Springs Community Board

Andrew CAMERON

My name is Andrew Cameron.

I am living, raising a family and running a business in Hanmer Springs. I have done this since leaving High School. My vision is for everybody to continue enjoying the unique and unspoiled character of the area, while preserving and maintaining it for our children and future generations. We must accept that Hanmer is a fast growing area, but must

also ensure that we retain our sense of identity and do not lose our wide open spaces, green areas or our natural environment that encourages such a diverse range of outdoor lifestyle opportunities.

I believe that this can be achieved with careful management and forward thinking and I look forward to representing the community as a whole with this vision
