

HURUNUI DISTRICT COUNCIL
Election of FIVE (5) Members for the Hanmer Springs
Community Board

Garth SMITH

Garth Smith, resident and ratepayer in Hanmer Springs since 1999. Employed by Hanmer Springs Service Station, married to Denise, has two adult children, 3 adult step children and 1 grand daughter. Coming from Blenheim, Garth has a background with the Marlborough Road Safety Council and experience as a Defensive Driving Course Manager, trying to improve road safety in Marlborough. Garth now wishes to assist in the growth and safety of Hanmer Springs, seeking to improve street lighting and security within the village, road safety, the entrance to Hanmer Springs and reintroduce glass recycling by crushing it and using it in concrete locally as is successfully done in other locations. Residential and commercial zoning within the village is another area of interest that Garth would like to see addressed for positive growth in the future for Hanmer Springs. Garth considers himself a voice for the people of Hanmer Springs.
