

HURUNUI DISTRICT COUNCIL

Election of FIVE (5) Members for the Hanmer Springs Community Board

Nicholas COWIE

Nicholas Cowie enjoyed his childhood and teenage years in Hanmer Springs. He has recently returned with his family, Belinda and Maximilian to start up a new tourism venture. He holds a bachelors degree from Lincoln University in Tourism Management.

Following graduation he commenced a Public Relations position with the Mount Cook Group.

For the most recent 10 years Nicholas has been a company director in the retirement industry.

His decision to return is fuelled by his strong belief for the diverse and exciting future of the Hanmer Ward.

“The ward as a whole needs and deserves fair representation by its community board directly to local government in a transparent process. It also deserves action taken and results gained in a timely manner.”

“I am honoured to have been nominated for a position on the Community Board. I will endeavour to provide a true representative voice on behalf of the ward.”
