

HURUNUI DISTRICT COUNCIL
Election of FIVE (5) Members for the Hanmer Springs
Community Board

Simon WALKER

I have lived in Hanmer Springs for 6 years and have been actively involved with different community groups including Heritage Forest Trust, St Johns, community watch and Hanmer Springs Business Association. I am a Partner in Back Trax Quad Bike Tours.

Our community faces some interesting challenges over the next term including Queen Mary site sale, the beautification of town, use and maintenance of parks, reserves and toilets to an increasing number of visitors and not least, I hope, a review and change to current policy and bylaws on parking requirements for business.

I wish to represent our communities' views and help facilitate the implementation of the necessary changes to enhance our vibrant village
