## Management strategy

Introduction to the management strategy ..... |

### Part I – Significant resource management issues for the Hurunui District

The use of non-renewable resources ..... |  
 Issue 1 – Land and soil resources ..... |

Safeguarding ecosystems ..... 13  
 Issue 2 – Significant natural resources ..... 15  
 Issue 3 – Environmental pollution..... 22

The use of renewable resources – water ..... 25  
 Issue 4 – Water resources..... 25

Maori resource management values..... 31  
 Issue 5 – Kaitiakitanga..... 31  
 Issue 6 – Principles of the Treaty of Waitangi..... 35

Protection of resources with significant value ..... 37  
 Issue 7 – Important landscapes..... 38  
 Issue 8 – Heritage resources..... 45

Access to resources ..... 51  
 Issue 9 – Access to resources of significant value..... 51

Protection & enhancement of environmental quality..... 59  
 Issue 10 – Environmental amenity..... 59

Efficient resource use ..... 71  
 Issue 11 – Energy production and use..... 71  
 Issue 12 – Infrastructure and development ..... 73  
 Issue 13 – Waste management..... 82

Hazards mitigation ..... 87  
 Issue 14 – Natural hazards..... 87  
 Issue 15 – Hazardous substances..... 92

### Part II – Environments of special concern

Introduction to environments of special concern..... |

Issue 16 – Urban areas..... 3

Issue 17 – The coastal environment.....	15
Issue 18 – Hurunui Lakes area.....	25
Issue 19 – Hanmer Basin.....	35
Issue 20 – Mount Lyford.....	47

### **Part III – Summary of non-regulatory methods**

Summary.....	1
--------------	---

## **Management code**

Introduction to the management code.....	1
--	---

### **Section A – District-wide rules**

<b>A1 – Environmental amenity .....</b>	<b>1</b>
Appendix A1 – Schedule of intensive farming.....	23
<b>A2 – Landscape.....</b>	<b>25</b>
<b>A3 – Subdivision .....</b>	<b>31</b>
<b>A4 – Esplanade reserves and strips .....</b>	<b>45</b>
<b>A5 – Transportation.....</b>	<b>51</b>
Appendix A5.1 – Road classification.....	72
<b>A6 – Utilities.....</b>	<b>75</b>
<b>A7 – Natural environment.....</b>	<b>79</b>
Appendix A7.1 – Schedule of significant natural areas.....	83
Appendix A7.1(A) – Schedule of potentially significant natural areas .....	89
Appendix A7.2 – Schedule of notable trees.....	91
<b>A8 – Heritage.....</b>	<b>97</b>
Appendix A8.1 – Schedule of heritage features.....	98
Appendix A8.2 – Schedule of recorded archaeological features.....	101
<b>A9 – Natural hazards .....</b>	<b>105</b>
Appendix A9.1 – Schedule of natural hazard areas .....	107
<b>A10 – Hazardous substances and waste management.....</b>	<b>109</b>
Appendix A10.1 – Schedule of hazardous substances.....	111

### **Section B – Environments of special concern**

<b>B1 – Urban areas.....</b>	<b>1</b>
<b>B2 – Coastal environment .....</b>	<b>15</b>

B3 – Hurunui Lakes area .....	19
Appendix B3 .....	23
B4 – Hanmer Basin .....	25
Appendix B4 .....	34
B5 – Mount Lyford.....	35
 <b>Section C – General procedures</b>	
C1 – Resource consent procedures.....	I
Appendix C1 – Assessment of environmental effects.....	31
Table C1.1 – Schedule of potential environmental effects.....	33
Table C1.2 – Schedule of potential environmental effects.....	34
Table C1.3 – Schedule of potential environmental effects.....	35
Table C1.4 – Schedule of potential environmental effects.....	36
Table C1.5 – Schedule of potential environmental effects.....	37
C2 – Financial contributions.....	39
C3 – Designations.....	47
Appendix C3 – Schedule of designations.....	50
C4 – Processes to address cross-boundary issues .....	59
C5 –Development plans and assessment matters for coastal settlements .....	63
 <b>Section D – Interpretation</b>	
D – Interpretation.....	I
 <b>Section E – Appendices</b>	
E1 – Schedule of priority resources for access and marginal protection.....	I
E2 – Criteria for identifying ecologically significant natural values.....	5
E3 – Schedule of primary industries .....	7
E4 – Waipara wine growing area .....	9
E5 – Background to purpose & preparation of the Hurunui District Plan.....	11
E6 – Terms from the Resource Management Act .....	25
<b>Section F – Planning maps.....</b>	see separate volume
