Management strategy

Introduction to the management strategy |

Part I – Significant resource management issues for the Hurunui District

The use of non-renewable resources |
 Issue 1 - Land and soil resources 1

Safeguarding ecosystems 13
 Issue 2 - Significant natural resources 15
 Issue 3 - Environmental pollution 22

The use of renewable resources – water 25
 Issue 4 - Water resources 25

Maori resource management values 31
 Issue 5 - Kaitiakitanga 31
 Issue 6 - Principles of the Treaty of Waitangi 35

Protection of resources with significant value 37
 Issue 7 - Important landscapes 38
 Issue 8 - Heritage resources 45

Access to resources 51
 Issue 9 - Access to resources of significant value 51

Protection & enhancement of environmental quality 59
 Issue 10 - Environmental amenity 59

Efficient resource use 73
 Issue 11 - Energy production and use 73
 Issue 12 - Infrastructure and development 75
 Issue 13 - Waste management 84

Hazards mitigation 89
 Issue 14 - Natural hazards 89
 Issue 15 - Hazardous substances 94

Part II – Environments of special concern

Introduction to environments of special concern..... |

Issue 16 – Urban areas..... 3

Issue 17 – The coastal environment.....	15
Issue 18 – Hurunui Lakes area.....	25
Issue 19 – Hanmer Basin.....	35
Issue 20 – Mount Lyford.....	47
Issue 21 – Amberley.....	53
Issue 22 – Buxton Valley.....	67

Part III – Summary of non-regulatory methods

Summary.....	I
--------------	---

Management code

Introduction to the management code.....	I
--	---

Section A – District-wide rules

A1 – Environmental amenity.....	I
Appendix A1.1 - Schedule of intensive farming.....	27
Appendix A1.2 - Schedule of permitted dwelling sites.....	28
A2 – Landscape.....	29
A3 – Subdivision.....	35
A4 – Esplanade reserves and strips.....	67
A5 – Transportation.....	73
Appendix A5.1 - Road classification.....	94
A6 – Utilities.....	97
A7 – Natural environment.....	101
Appendix A7.1 - Schedule of significant natural areas.....	105
Appendix A7.1(A) - Schedule of potentially significant natural areas.....	111
Appendix A7.2 - Schedule of notable trees.....	113
A8 – Heritage.....	119
Appendix A8.1 - Schedule of heritage features.....	120
Appendix A8.2 - Schedule of recorded archaeological features.....	123
A9 – Natural hazards.....	127
Appendix A9.1 - Schedule of natural hazard areas.....	129
A10 – Hazardous substances and waste management.....	131
Appendix A10.1 - Schedule of hazardous substances.....	133

Section B – Environments of special concern

B1 – Urban areas.....	1
B2 – Coastal environment	21
B3 – Hurunui Lakes area	25
Appendix B3	29
B4 – Hanmer Basin	31
Appendix B4	43
B5 – Mount Lyford.....	45
B6 – Buxton Valley.....	49

Section C – General procedures

C1 – Resource consent procedures.....	1
Appendix C1 – Assessment of environmental effects	38
Table C1.1 – Schedule of potential environmental effects	40
Table C1.2 – Schedule of potential environmental effects	41
Table C1.3 – Schedule of potential environmental effects	42
Table C1.4 – Schedule of potential environmental effects	43
Table C1.5 – Schedule of potential environmental effects	44
C2 – Financial contributions.....	45
C3 – Designations.....	55
Appendix C3 – Schedule of designations	58
C4 – Processes to address cross-boundary issues	67
C5 – Development plans and assessment matters for coastal settlements.....	71

Section D – Interpretation

D – Interpretation.....	1
-------------------------	---

Section E – Appendices

E1 – Schedule of priority resources for access and marginal protection.....	1
E2 – Criteria for identifying ecologically significant natural values.....	5
E3 – Schedule of primary industries	7
E4 – Waipara wine growing area	9
E5 – Background to purpose & preparation of the Hurunui District Plan.....	11
E6 – Terms from the Resource Management Act	25

Section F – Planning maps (see separate volume)
