Information requirements

Your application must include the following requirements:

- Application fee (refer to Council’s Fees and Charges Schedule)
- Certificate of title (less than 6 months old)
- Location plan (to scale) showing the street address of the application site and accurately identifying neighbouring properties.
- Site plan identifying the shape and location (distance) of the proposed structure to any ‘infringed boundary’. The plan also needs to show that the structure complies with all other bulk and location rules in the District Plan (e.g. site coverage).
- Elevation drawings of all structures to be built or altered, showing the relationship of structures to certificate of title boundaries, natural/ finished ground level, and showing compliance with relevant District Plan rules.
- Compliance schedule and/or supporting information that explains how the activity complies with all other requirements/rules in the District Plan.
