

Form 38
Application for waiver or directions
Section 281, Resource Management Act 1991

To The Registrar
 Environment Court
 PO Box 2069
 Christchurch

1. I, Scott Pearson, apply for a waiver in the following proceedings:
ENV-2011-CHC-090 Hurunui Windfarm
2. I am the following party to these proceedings:
Scott Pearson
137 Richmond Avenue
Taupo 3330

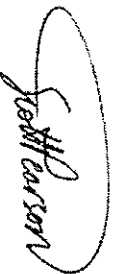

3. I seek the following waiver:
In reference to the above mentioned proceedings, I am applying for a waiver of time pursuant to section 281 of the Act. My notice Form 33 was unintentionally lodged out of time due to uncertainties with the process. Being based in Taupo currently, has also made me some-what distant from local developments in this matter and therefore less aware of the tight timeframes involved.

This is my first actual involvement with the Environment Court and I was uncertain as to the requirements on my time or potential expenses of "being a party" and the exact definition of "being heard" for the same reason.

I now have enough of an understanding of the process to wish to be a party in the proceedings, as accepted by the Court subject to this waiver and the serving of my applications on all parties.

It is therefore my request for this application to be accepted by the Court.

Yours sincerely

Scott Pearson
