My witness list is as per my list submitted on 16 March 2012 with the following alterations.

I will advise the Court which party will be the witness in Court within two weeks of receipt of the filing of evidence by Meridian and Council in reply to Dr Thorne's evidence. I refer Clause 10 (c) of the above Directions.

Landscape. John Carr, and Russell black.

Tourism. Scott Pearson, and John Carr.

Valuation. David Manning, and John Carr

Traffic. Murray Messervy, John Carr, and Russell Black.

On the matter of cross questioning I have earlier advised the Court that I intend to cross examine all, or a high majority, of the witnesses listed on the witness list of Meridian dated 27 January, and the witness list of Council dated 13 February. The length of time is likely to range from one hour to one and half hours, to 15 to 30 minutes depending on the witness.
