---

**TO: Registrar, Environment Court, Christchurch**

**And to: The Applicant**

**And to: The Respondents**

1. Counsel refers to the Court Minute dated 18 June 2012.

**Possible conflict of interest-Tanya Breen**

2. The Society has no issue with the continued involvement of her Honour Judge M Harland.

**Dr. Welch as a witness**

3. The Society will not be calling Dr. Welch as a witness.

**Potential hearing venue**

4. Members of the Society have had discussions with registry staff, and had understood that a possible venue in Rangiora was being investigated. That is supported by the Society.
5. A hearing at Lincoln is about as far away from the Glenmark community as one can get, while still nominally being within the Christchurch environs.

**Lateness of this memorandum**

6. Counsel apologises for the lateness of this memorandum, due in large part to my recent involvement in the CTV Royal Commission of Inquiry.

Dated this 4<sup>th</sup> day of July 2012.
