**TO: Registrar, Environment Court, Christchurch**

**And to: The Applicant**

**And to: The Respondents**

1. The witnesses intended to be called for the Society are listed below.
2. It is anticipated that the list of lay witnesses might shorten, and as soon as that is known counsel will notify accordingly.
3. The Court will note that a number of the lay witnesses are s.274 parties in their own right, so would have otherwise potentially given evidence in that *personal capacity*.
