Dear Holly

3.55pm. I have just received Meridian's Memorandum of today's date.

I reject the content and tone of the Memorandum in its entirety. I consider Meridian's attempt to try and influence the Court, and the decision that the Court has made in due process as being contemptible. I hope that the Court will see it for what it is, a clear and explicit attempt by Meridian to interfere with the Court process.

I will be at each of the caucus meetings as Directed by the Court, and will participate in accordance with Judge Whiting's Directions.

Time considerations do not allow me to expand on this matter, which I am more than happy to do if required.

Please pass this letter to Judge Whiting. Thank you.

Yours Sincerely,

John Carr
