Good morning Malcolm,

I have referred your memorandum dated 8 March 2012 to the presiding Judge and she has confirmed that when you are setting out the witnesses you intend to call in your memorandum you are to include lay witnesses.

This enables the Court to estimate how much time to allow for the hearing.

If you have any further questions, please don't hesitate to contact me.

Kind regards

Samantha

Please find attached memorandum. Kindly bring this to her Honour's attention.
