

HYP Leaders Camp Kaikoura 2024

Why?

In 2023, we welcomed 16 HYP leaders from the Hurunui District to coordinate and manage activities and events in their communities. Leaders emerged from Hurunui College, Cheviot Area School, Amuri Area School, and a South Ward group. In January 2024, we organised a camp with 15 young leaders, allowing attendees to bond, discover new skills, step out of their comfort zones, and, above all, HAVE FUN!

Deeper Dive

Most of the young people had only met once at our Event Planning Workshop the week prior, some had never met before. We spent time on whānaungatunga, getting to know everyone as we did lots of team building/ice breaker games. On the second day we went rafting down the Waiau Toa/Clearance River. This was a big step outside of many comfort zones and to see every single leader participate was amazing. The adrenalin and fun we had in teams was second to none.

Thank you!

Quotes from attendees:

"i enjoyed really all of it, if I'm to be honest least favourite was walking barefoot on stones to the pool (jandles were needed)"

"100% i loved it, was nervous to go as i feel on school camps usually pressured into activities i dont like or don't feel comfortable with but the group was so lovely i felt comfortable at all moments even doing something like rafting."

"Great camp, please do more of them!"
