Freedom camping is not required. In effect the ratepayer is subsidising visitor accommodation at the detriment of council (public) owned & private visitor businesses providing accommodation.

In Lumsden (Otago) up to 90 vehicles a night stay at the local Council provided freedom camping spot. The local motor camp is now gone bankrupt as a result of minimal numbers compared with past years.

It is not 'free' - someone has to pay. We, the ratepayers will be paying for more public toilets AND someone to service these; rubbish collection & probably (on the Flaxmer Bridge site) gravel parking bays etc. when Council already owns the Pines Camp site, in the village.

If overseas visitors can afford airfares, vehicle ownership/hire in NZ they can well afford to pay a nominal amount to stay in serviced accommodation. - When I travel overseas that is what I do why should they sponge off me & my rates.

Please note: Your name and contact details are required for transparency and the decision-making process. It also means we are able to update you on progress. All submissions will be publicly available through inclusion in Council agendas and/or retrievable by request under the Local Government Official Information and Meetings Act 1987.
