- (by the HOCouncil)
- * Want no freedom camping within the Harmer basin because
 - 1) there is already two - DOC - Campover Assoc
 - 2) there is a good range of commercial campgrounds within Harmer. Lets support them so they remain viable.
 - * In particular do not want the Harmer River Reserve to become a Freedom Camping site because
 - 1) not a suitable site. you will notice the Harmer River bed is rising. Prone to flooding (or soon to be) which is not safe for overnight stay (but still fine with day trippers as can see day out)
 - 2) Freedom campers + day trippers don't mix due to cleanliness and over use means for more facilities required)
 - 3) The H. River Reserve provides the outdoor water element that is lacking in Harmer basin. Its lovely to see people there during the day. For a small cost it could be landscaped a little and look more inviting. An asset to the village. Present it as an attractive area which sends out a better message / image when entering Harmer.
 - * Support deleting Chesholm carpark + Hall carpark freedom camping.
 - * In the past did not mind but now there are too many so do not want it to continue. Want to set a standard for Harmer + support our local businesses

Please note: Your name and contact details are required for transparency and the decision-making process. It also means we are able to update you on progress.
