General comment(s) on the proposed Responsible Freedom Camping Bylaw: *(attach further pages if necessary)*

We are in favour of Freedom Camping, however this must apply only to Fully Certified Self Contained vehicles as in the proposed new rules by NZMCA, which say;
~~From June 1, only motorhomes and caravans that have an inside toilet that can be used even with the bed made up will be issued a Certified Self-Containment (CSC) documentation.~~

All others should have to use camping grounds/ facilities and this needs to be policed
