

Freedom Camping Bylaw.

Sorry for being late with this submission.

Date. 10th November 2017.

Amberley.

My Concern is the Amberley Beach Area.
We have a camping ground.
Which brings in good income for the council.
We also have a beach carpark.
With a small sign - Stating No Camping.
I would like to see this carpark.
Stay as a "Non Camping Area".
A new and brighter sign. Stating "Non Camping Area".
Would be a good help.

Thanking You for Your Time.
