## SOUTH WARD SPATIAL PLAN

Feedback closes: 5pm, Monday 29 April 2024

The draft spatial plan shows the intended direction of growth and development in South Ward over the next 30+ years. Setting this blueprint out allows planning and investment to happen in advance, so the Council is prepared and well equipped for growth.

Through your answers to the questions below we want to know whether we have got the direction right. This is your chance to influence the draft spatial plan before it is finalised.

### What happens next:

We will review all feedback received. The feedback will be presented to the Council which will decide whether any changes are made prior to finalisation of the South Ward Spatial Plan.

The Plan will be adopted in late July 2024.

### MANAGED GROWTH

1. The draft spatial plan signals a mixture of strategies to accommodate population growth in Amberley including:

- Reduction of minimum lot sizes (excluding large lot residential lifestyle lots).
- Mixed use development in central Amberley (mixed business and residential uses)
- Longer term outwards growth to the east.

How do you feel about the proposed future growth of Amberley ?

Agree       Neutral       Disagree

Please add any comments you have around the proposed future growth of Amberley

3. To support and provide effective spaces for our communities and businesses in Amberley the draft spatial plan signals:

- Streetscape improvements to Markham Street.
- Town centre improvements.
- Development of a community hub.

**How do you feel about the proposed improvements?**

- Agree       Neutral       Disagree

**Please add any comments you have around the proposed improvements**

**IMPROVED CONNECTIVITY**

5. In terms of getting around our townships and for access into and out of the district the draft spatial plan promotes:

- Future public transport opportunities.
- Future active transport opportunities and improvements (e.g. walking and cycling).
- Traffic and safety improvements to intersections with the State Highway.
- Amenity improvements along the State Highway through Amberley.

**How do you feel about the proposed opportunities & improvements?**

- Agree       Neutral       Disagree

**Please add any comments you have around the proposed improvements**

### **ENHANCED ENVIRONMENT**

6. For an enhanced environment the draft spatial plan promotes:
- Maintenance and improvements to existing parks and reserves, along with seeking opportunities for new parks.
  - Openspace and street tree planting and beautification opportunities within Leithfield and Amberley.
  - Waterway enhancement for ecological, recreational and flood protection purposes.

**How do you feel about the proposed environmental enhancements ?**

- Agree       Neutral       Disagree

**Please add any comments you have around the proposed improvements**
