Summary of Other Issues (outside bylaw remit)

Key points:

- Some issues were raised that do not specifically relate to the Northen Pegasus Bay Bylaw area or rules.
- A small number of issues dominate (fishing activity, erosion, Amberley bund and roads).

High Volume Issues (6–9 responses)

Issue	Summary of comments
Fishing / trawling boat	Concerns about clam dredging and bottom trawling near shore; impacts on marine life, seabed disturbance, erosion, and swimmer safety; calls for regulation or removal.
Erosion, storm damage & flooding	Ongoing coastal erosion and shoreline loss; requests for protection measures such as seawalls and planting.
Amberley Beach bund	Viewed as poorly designed and maintained; erosion and vehicle damage reducing effectiveness; some preference for rock wall alternative.

Medium Volume Issues (3–5 responses)

Issue	Summary of comments
Road to Amberley Golf Course and north	Poor condition and erosion damage; safety issues; mixed views on public funding for a road predominantly serving a private golf course.
Management of Amberley Beach Lagoon	Requests for improved maintenance, accessibility, weed control, and amenities such as seating and shade.
Beach morphology	Concerns about narrow or stony beaches, steep drop-offs, and swimming safety.

Lower Volume Issues (2 responses each)

Issue	Summary of comments
Algae blooms (river mouths/lagoons)	Concerns about water quality decline due to algal and cyanobacteria growth linked to runoff.
Rivers and river mouth management	Requests for periodic opening and concerns about vegetation affecting flow and sediment supply.
Dog park in Amberley	Requests for a dedicated dog park.
Camping grounds	Concerns about quality, cost, and lighting.
Freedom camping (Leithfield Beach)	Concerns about unmonitored overnight camping in car parks.

Isolated / Site-Specific Issues (1 response each)

Issue	Summary of comments
Planning rules (Amberley)	Dissatisfaction with local planning rules.
Road access (Amberley–Leithfield)	Desire for alternative route avoiding the main road.
Reserve management	Support for retaining recreation reserve status.
Dust on Webbs Road	Dust and speeding from increased access.
Beach amenity (driftwood)	Driftwood affecting appearance.
Horse access	Request for dedicated coastal horse tracks.
Feral cats	Reports of roaming/feral cats.
Fossil removal	Concern about loss of significant fossils.
Rock pool depletion	Concern about over-harvesting of marine life.
Defunct pāua farm debris	Hazardous leftover materials posing risks.
