Thank you to CJ's Nursery, AST 132 Nursery and Steve & Robyn Alloway for the great deals you gave us on all the plants. Thank you to the Leithfield School year 8 pupils for helping with planting.

We had the best time last night at the official opening of Coppard Reserve and its upgraded areas - it was so lovely to see you all and meet those in the village. Thank you to The Father from the Beatitudes who blessed the Reserve, those who contributed time and effort, but mostly Jo Hassal, she is the driver of all these initiatives in our community and we wouldn't have such a beautiful place if it wasn't for her. ❤️ Leithfield.

Hello up there!!! Spot the worker up in the gum tree. Elite Trees did a great job cutting out the dead wood in the gum tree by the basketball court in the Coppard Reserve. Aren't we looking fabulous! ❤️ Leithfield

Basketball hoop is now up, with the lines being painted on Wednesday.

A massive thank you to the Rata Foundation, who kindly donated funds for the court and hoop.

And thanks also to Ben from Waimak Contracting for doing the concreting work.

...

They're finally here!!

Our History Boards in Coppard Reserve.

Olive Roxburgh started this process off, putting in submission to the HDC in 2019 asking for history boards, for Coppard Reserve.

The Leithfield Community Centre committee would like to thank the South Ward committee, for donating funds for this project, and a massive THANK YOU goes to Debi and Chris, who did the hard work, of writing up the history and creating the graphic work, for the boards.

Lastly, thanks to Mark from the HDC who installed these for us.

Crickey we're looking fabulous aren't we!!! ❤️ Leithfield
