In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

**DECISION (ON THE PAPERS)**

This is an application by Cribb Farming Limited for a fourth Temporary Authority Order in respect of premises situated at 169 MacKenzies Road, Waipara, known as "Cribb Farming Limited".

The general nature of the business to be undertaken is that of a Remote Sales Off Licence. The holder of an off-licence must ensure that any alcohol sold by remote sale is not delivered to the buyer (or any other person on the buyer's behalf) at any time after 11pm on any day and before 6am on the next day.

This is a fourth temporary authority application due to delays associated with the issuing of the building consent and completion of the work. At the time of the previous temporary authority application, Brian Cribb advised that the work was due for completion by Christmas 2017. He has now advised that the builders are well behind schedule and the work is unlikely to be finished before the temporary authority will expire.

Generally, a temporary authority allows the applicant to operate for a three-month period under the existing base licence conditions. However, in this instance, the base licence will expire on 8 April 2018 and this will be the expiry date of the temporary authority sought.

In their reports, the Police and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s. 136 of the Act and we grant the applicant a temporary authority for the duration of 2 months, commencing on 03 February 2018, subject to the current licence 57/OFF/392/2015 continuing in force for the duration of the Order.
