BEFORE THE Hurunui District Licensing Committee

Chairperson: Councillor M Black

DECISION (ON THE PAPERS)

This is an application by Trevor James Bunting and Patricia Mary Bunting for renewal of an Off-Licence in respect of premises situated at 162 Church Road, Glenmark, known as "Dallington Downs Estate".

No changes to the conditions of the licence have been sought by the applicant.

Trevor James Bunting and Patricia Mary Bunting, have traded as Dallington Downs Estate since June 2014. Previously the winery was operated under an off-licence by Dallington Downs Vineyard Estate Limited for a year from April 2013.

Trevor Bunting is the sole duty manager for the winery. The applicant holds an off-licence endorsed for the remote sale of alcohol only. Some written comments on the application have led the reporting agencies to believe tastings have been conducted in the kitchen of the applicant's house at 162 Church Road, Waipara. This is contrary to the licence held, i.e. off-licence endorsed under Section 40 for the remote sale of alcohol.

This matter has been brought to the attention of Trevor Bunting and he indicated that it is his desire to have an off-licence that allows for tastings on-site. He has been advised this would require an application for an off-licence. He will investigate further the matters that will need to be addressed prior to lodging such an application, i.e. in particular building requirements. In the meantime, he has been made aware that only remote sales, i.e. telephone, mail order or internet sales of alcohol, can be made and no tastings are to be held at the house kitchen or anywhere else on the property.

Future breaches may result in enforcement action being taken.

The applicants website must be updated with the renewed licence information so it can be checked for compliance, within 2 working days of the licence being issued or, as it was not active at the time of the last check, prior to the website being re-activated.

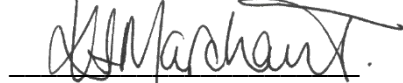

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s.131 of the Act. We renew the licence on the existing terms and conditions until 9 June 2021, that being the anniversary date of the licence and three years from the most recent date of expiry.

Due to a practice direction from the Alcohol Regulatory and Licensing Authority we authorise the issue of a replacement licence with a new number and notice of renewal.

DECISION (ON THE PAPERS)

This is an application by Georges Road Vineyard Partnership for an off-licence in respect of premises situated at 625 Mt Brown Road, Broomfield, known as “Georges Road Wines”.

The general nature of the business to be undertaken is that of a Winery with the hours authorised for the sale of alcohol between Monday to Sunday from 10.00am to 4.00pm. The interior of the tasting room is the licensed area.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s. 105 of the Act and we grant the applicant an off-licence authorising the sale and supply of alcohol, to any person for consumption off the premises and to supply alcohol free, as a sample for consumption on the premises.
