of an application by Glenmark Rugby
Football Club Incorporated pursuant
to s.127 of the Act for renewal of an
Club Licence in respect of premises
situated at Reeces Road, Omihi
known as "Glenmark Rugby Football
Club Incorporated"

BEFORE THE Hurunui District Licensing Committee

Chairperson: Councillor M Black

DECISION (ON THE PAPERS)

This is an application by Glenmark Rugby Football Club Incorporated for renewal of a Club Licence in respect of premises situated at 9 Reeces Road, Omihi, known as "Glenmark Rugby Football Club Incorporated".

No changes to the conditions of the licence have been sought by the applicant, although they did originally apply for hours outside the Local Alcohol Policy.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application, however FENZ advised '*Glenmark Rugby Club/Omihi Hall have applied and require some more work as it hasn't been approved.*'

The scheme has not yet been approved by FENZ. The club's attention is brought to the provisions of Section 286 of the Sale and Supply of Alcohol Act 2012. This section provides for the suspension of licences for non-compliance with public health or fire precaution requirements, i.e. not holding or maintaining an Evacuation Scheme.

The 2015 club-licence renewal application was about to be issued when the Glenmark Rugby Club's premises was destroyed in a fire. The licence has been on-hold since that time until the new Omihi Community Hall was replaced.

In the 2018 renewal application, the club sought to extend the licensed hours until 12 midnight on Monday to Friday. The reasons given were to enable the bar to open after training nights and flexibility in the event of future night games. The installation of lighting

(expected to occur within the next 18 months) will enable the use of the playing grounds for later training and night games.

The Hurunui Local Alcohol Policy restricts club-trading hours to:

Sunday to Friday	8.00am to 10.00pm, and
Saturday	8.00am to 12.00 midnight

The Inspector advised Craig Tomlinson that the additional hours sought exceed the hours permitted by the Hurunui Local Alcohol Policy. He is now aware that should the club seek to open the bar outside of the licensed hours granted then a special licence will be required.

The bar opening hours will be restricted to a maximum of 40 hours per week to meet the Class 3 club criteria. These hours allow for flexibility for training nights, home games and other club events. As per the 2015 renewal application,

The trading hours sought are:

Monday -Friday	4.00pm – 10.00pm
Saturday	1.00pm – 12 midnight
Sunday	1.00pm – 10.00pm with a maximum of 40 hours per week.

In addition, a book is required to be kept in the bar area to provide a record of the hours the bar is open and the name of the manager on duty while the bar is open.

We are satisfied as to the matters to which we must have regard as set out in s.131 of the Act. We renew the licence on the existing terms and conditions until 26 August 2021, that being the anniversary date of the licence and three years from the most recent 'expected' date of expiry.

Due to a practice direction from the Alcohol Regulatory and Licensing Authority we authorise the issue of a replacement licence with a new number and notice of renewal.

of an application by Waikari Bowling Club Incorporated pursuant to s.120 of the Act for variation of the conditions of a Club Licence in respect of premises situated at 3 Cambridge Street, Waikari known as "Waikari Outdoor Bowling Club"

BEFORE THE Hurunui District Licensing Committee

Chairperson: Councillor M Black

DECISION

This is an application by Waikari Bowling Club Incorporated for variation of the conditions of a Club Licence in respect of premises situated at 3 Cambridge Street, Waikari, known as "Waikari Outdoor Bowling Club".

The applicant seeks to vary the licensed hours.

The current club-licence has licensed hours:

Monday to Sunday 11.00am to 8.30pm up to a maximum of 40 hours per week

The hours now sought are:

Monday to Sunday 12.00 midday to 9.30pm up to a maximum of 40 hours per week

This does not increase the licensed hours rather it moves them one hour later.

The Licensing Inspector has met Bruce Lilley and Warren Robinson at the bowling club when they have sought special licences for community events held at the clubrooms. The club takes a responsible approach to hosting special licensed events.

Warren Robinson is the duty manager for the club and he has extensive experience at licensed premises, various club premises and managing a range of special licensed events. He is the duty manager on the premises during tournaments and on club days.

The application was duly advertised and no objection or notice of desire to be heard has been received. Accordingly we deal with the matter on the papers.

We are satisfied as to the matters to which we must have regard as set out in s.127 of the Act. We grant the application and authorise the issue of a replacement licence. A copy of the licence setting out the conditions to which it is subject is attached to this decision.

BEFORE THE Hurunui District Licensing Committee

Chairperson: Councillor M Black

DECISION (ON THE PAPERS)

This is an application by The Partnership of Paul Antony Tutton, Olga Sienko-Tutton, Vicki Anne Tutton & Lindsay Mark Hill for renewal of an Off-Licence in respect of premises situated at 376 Ram Paddock Road, Broomfield, known as "Waipara West/ The Boneline".

No changes to the conditions of the licence have been sought by the applicant.

During a site visit to the winery on 21 November 2018, the applicants indicated they wished to license the formal garden area in front of the cellar door/winery building. An amended plan has been provided to show the licensed areas which will remain undesignated.

The licensed areas are the cellar door and the formal garden.

The cellar door has licensed hours Monday to Sunday 9.00am to 10.00pm, however, the actual opening hours are typically week days from 10.00am to 4.00pm and weekends 11.00am to 4.00pm.

The sales of wine are approximately 50% export and 50% NZ sales, with 20% being through the cellar door.

The winery has four duty managers which provides good coverage at the cellar door and at other events.

The partnership holds a special licence for a weekly stall at the Lyttelton Market.

The winery trades under two main brand lines; Waipara West and The Boneline. A check of the winery websites site under each of these names was undertaken. The compliance of the websites was discussed with the applicants during the on-site meeting.

The Boneline site does not comply with the information requirements for the internet sale of alcohol in that the following information is not displayed on the internet site in a prominent place:

- The licence holder's name, licence number and the expiry date of the licence are not displayed.
- A copy of the licence or a link to the licence is not prominent.

The applicant indicated they use a website provider to make changes to their site. Due to the holiday season closure (3 weeks approximately) of the website provider and their workloads, the changes can confidently be ensured to be completed by the end of January 2019. This compliance will be checked by the Secretary.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s.131 of the Act. We renew the licence on the existing terms and conditions until 05 December 2021, that being the anniversary date of the licence and three years from the most recent date of expiry.

Due to a practice direction from the Alcohol Regulatory and Licensing Authority we authorise the issue of a replacement licence with a new number and notice of renewal.

BEFORE THE Hurunui District Licensing Committee

Chairperson: Councillor M Black

DECISION (ON THE PAPERS)

This is an application by Tongue In Groove Limited for renewal of an Off-Licence endorsed under S.40 as remote sales only in respect of premises situated at 214 Mt Brown Road, Broomfield, known as "Tongue In Groove".

No changes to the conditions of the licence have been sought by the applicant.

The Medical Officer of Health notified the applicant that the appropriate age verification was not available on entry to the website. This has since been rectified.

Further website checks by the Inspector have found:

First age declaration

- The first age declaration appears when entering the site on the first occasion, however does not re-appear when subsequently entering the site, i.e. 'Cookies' remembers the customer. The age declaration needs to appear on each occasion the site is entered.
- This declaration advises the customer they should only click to enter the site if they are at least 18 years of age.

Second age declaration

- The second age declaration appears when Checking Out. This declaration requires the customer to enter their date of birth and to continue by clicking 'Verify'. The day, month and year boxes are pre-populated with the date 1 January 1985. It is preferable that these fields are blank and be filled in by the customer before proceeding.

- This pop-up box also states the licence details, i.e. name, number, expiry date and a link to a copy of the licence.
- The expiry date stated is incorrect i.e. shown as 7/11/2019 but should be 7/11/2018.

The Inspector considers that the position of these declarations on the website should be reversed, as the second declaration requires the customer to provide their actual age details and would display the licence details on entering the site, i.e. a prominent position as required under the Act and Regulations.

The applicant is required to rectify the website details as specified above within 2 working days of receipt of the new licence to be compliant.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s.131 of the Act. We renew the licence on the existing terms and conditions until 7 November 2021 that being the anniversary date of the licence and three years from the most recent date of expiry.

Due to a practice direction from the Alcohol Regulatory and Licensing Authority we authorise the issue of a replacement licence with a new number and notice of renewal.

BEFORE THE Hurunui District Licensing Committee

Chairperson: Councillor M Black

DECISION (ON THE PAPERS)

This is an application by Bain Road Wines Limited for an off-licence in respect of premises situated at 166 Bain Road, Weka Pass, known as "Bain Road Wines Limited".

The general nature of the business to be undertaken is that of a Winery with the hours authorised for the sale of alcohol between Monday to Sunday from 9.00am to 9.00pm.

Bain Road Wines Limited is a new company registered in October 2017. The company is seeking an off-licence to enable tasting events at the winery site, the sale of wine at the tasting room, and the remote sale of alcohol. Sally Berry is the sole director and shareholder of Bain Road Wines Limited.

The applicant has stated the principal purpose of the business is a 'contract winemaking facility'. Most sales of wine will be to retailers and therefore not covered by the off-licence being sought. The applicant has stated that the winery does not propose to have a cellar door in the near future.

The applicant proposes to include the following pursuant to the off-licence being sought:

- Seasonal bus tours may visit the winery for tours and tastings along with promoting a NZ experience on the farm adjacent to the winery. The visitors are anticipated to be Chinese tourists. Tour visits will be restricted to the winery off-season; i.e. approximately September to December.
- Access to the winery is restricted during harvest season due to health and safety requirements.
- All tastings will be free and by appointment only. The off-licence is sought to allow visitors to purchase un-opened bottles of wine on departure.

- The wine will be sold in an area of the winery barrel hall by cash sales or by internet banking.
- The remote sales of alcohol via a website which is currently under development.

The applicant will notify the licensing team when the website is functioning, so it can be checked for compliance.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s. 105 of the Act and we grant the applicant an off-licence authorising the sale and supply of alcohol, to any person for consumption off the premises and to supply alcohol free, as a sample for consumption on the premises.

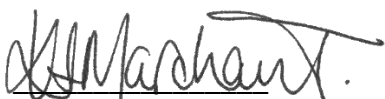

The licence may issue immediately.

Requirements on holders of off-licences

The applicant's attention is drawn to ss. 56 and 57 of the Act obliging the holder of an off-licence to display:-

- (1) A sign attached to the exterior of the premises, so as to be easily read by persons outside each principal entrance, stating the ordinary hours of business during which the premises will be open for the sale of alcohol ; AND
- (2) A copy of the licence, together with a statement of all conditions subject to which it is issued, attached to the inside of the premises so as to be easily read by people entering each principal entrance.

DECISION (ON THE PAPERS)

This is an application by Terrace Edge Limited for renewal of an On-Licence in respect of premises situated at 328 Georges Road, Broomfield, known as "Terrace Edge Vineyard and Olive Grove".

No changes to the conditions of the licence have been sought by the applicant.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

Terrace Edge limited has held the on-licence for a year. The winery has held an off-licence for the cellar door since March 2009.

Jill advised the business has gradually increased its operation under the on-licence over the past year. She advised that through experience, they have now decided not to have hen's party groups and to limit the size of groups to typically around 15 to 20 people. The reasoning for limiting the size of groups is to ensure the tastings are about the wines, the vineyard and its history, and their approach to wine making.

CCTV cameras have been installed on the vineyard premises due to a burglary on the property a few months ago.

We are satisfied as to the matters to which we must have regard as set out in s.131 of the Act. We renew the licence on the existing terms and conditions until 01 November 2021, that being three years from the first anniversary of the licence.

Due to a practice direction from the Alcohol Regulatory and Licensing Authority we authorise the issue of a replacement licence with a new number and notice of renewal.

DECISION (ON THE PAPERS)

This is an application by Triumph Owners Motorcycle Club NZ Incorporated for an on-site special licence in respect of premises situated at 243 Jollies Pass Road, Hanmer Springs and known as Hanmer Springs Forest Camp

The nature of the particular event for which the licence is sought is the World Association of Triumph Owners Club Rally with the days and hours authorised for the sale of alcohol being Friday 22 February 2019 from 12.00 midday to 12.30 midnight and Saturday 23 February 2019 from 12.00 midday to 12.30 midnight. The licensed area is restricted and includes the Ensore Lodge accommodation unit and courtyard, the Maling kitchen and associated facilities.

Wayne Woodward is the proposed manager for the event and he does not hold a manager's certificate. Wayne has previous experience as a duty manager for two previous rallies, held in the Waimakariri District in 2013 and 2016. During the discussion on the application, Wayne demonstrated a good knowledge of the licensing requirements and how the event would be managed to ensure the event was held in accordance with the law. Wayne is considered a suitable person to manage this event.

The District Licensing Committee grants an exemption under section 213(2) of the Act from the requirement of this licence to be exercised through a manager or managers appointed by the licensee in accordance with Subpart 7 of Part 2 of the Act.

DECISION (ON THE PAPERS)

This is an application by Michelle Beri & Lindsay Collins Partnership for an on-site special licence in respect of premises situated at 18 Lyndon Street, Waiau and known as Waiau Lodge Hotel

The nature of the particular event for which the licence is sought is The Wonder Rally Social Gathering with the days and hours authorised for the sale of alcohol being Friday 11 January 2019 from 2.00pm to 1.00am following day and Saturday 12 January 2019 from 11.00am to 1.00am the following day. The applicant has advised that the bar will cease trading 30 minutes prior to the end of the event to allow a 'drink up' time.

The licensed areas are restricted and include the two paddocks behind the Waiau Lodge Hotel which are clearly defined by fencing and the fenced off area immediately behind the Waiau Lodge Hotel.

The event has been held in January at this location since 2012 under the current and previous hotel licensees. The event is held in conjunction with the Plains Motorcycle Club and attracts club members and other motorcycle enthusiasts.

The rally is expected to attract around 100 to 200 people. They will be aged 18 to 70 years of age. The organiser advised no one under 18 years of age will be allowed entry to the event.

In their reports the Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application, however, the Police did oppose, until a meeting could be held with the other agencies and the applicant.

After a meeting on 11 December 2018, the Police withdrew their opposition.

The event required, and was granted, resource consent by the Hurunui District Council. That consent contains conditions requiring the noise from the band to be monitored and kept to a reasonable level, and that any complaint is addressed immediately and steps taken to address the issue.

The noise issues were discussed at the 11 December 2018 meeting and the following measures will be taken to mitigate and manage noise at the event:

- The location of the band will be changed. The stage will be located so that it faces towards the event site and the open unoccupied land toward the Waiau River. This should assist in reducing the impact of the noise on residential neighbours.
- The band will be 'Otherwise Engaged' and they will play classic rock and folk music, which will not have a heavy bass.
- The band will cease playing no later than 12.30am, including encores.
- A neighbourhood flyer will be letterbox dropped to nearby residents. The flyer was updated to include the finishing time for the band music, and advises residents if they have any concerns with noise to contact the management by phone or to visit the site to discuss.

We are satisfied as to the matters to which we must have regard as set out in s. 142 of the Act and we grant the applicant an on-site special licence authorising the sale and supply of alcohol, to any person attending this occasion or event.

The licence may issue immediately.
