DECISION (ON THE PAPERS)

This is an application by West Coast Liquor Limited for an off-licence in respect of premises situated at 121 Carters Road, Amberley, known as "Super Liquor Amberley".

The general nature of the business to be undertaken is that of a bottlestore with the hours authorised for the sale of alcohol between Monday to Sunday from 7.00am to 10.00pm.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s. 105 of the Act and we grant the applicant an off-licence authorising the sale and supply of alcohol, to any person for consumption off the premises and to supply alcohol free, as a sample for consumption on the premises.

We impose the following condition to be included on the off-licence:

- "No single sales of RTD's and mainstream beer is permitted, except for damaged packaging."

The reason for the condition is to ensure that a consistent approach, regarding the single sales of alcohol, is applied to all similar-typed premises within the vicinity. The applicant director, Mr Ramesh Alla, has agreed to the inclusion of the condition on the off-licence.

The licence will be issued on 20 September 2022, being the commencement date of trading for the new owner.

Requirements on holders of off-licences

The applicant's attention is drawn to ss. 56 and 57 of the Act obliging the holder of an off-licence to display:-

- (1) A sign attached to the exterior of the premises, so as to be easily read by persons outside each principal entrance, stating the ordinary hours of business during which the premises will be open for the sale of alcohol ; AND
- (2) A copy of the licence, together with a statement of all conditions subject to which it is issued, attached to the inside of the premises so as to be easily read by people entering each principal entrance.
