DECISION (ON THE PAPERS)

This is an application by Bain Road Wines Limited for renewal of an Off-Licence in respect of premises situated at 166 Bain Road, Weka Pass, known as "Bain Road Wines Limited".

No changes to the conditions of the licence have been sought by the applicant.

Bain Road Wines Limited, trades as Bain Road Wines and, has held an off-licence since 4 December 2018. The bulk of the wine produced is currently sold by wholesale therefore not covered by the off-licence. There are limited retail sales of wine to existing customers, family and friends. The licensee, Sally Berry advised that approximately 20 cases of wine have been sold over the past year.

The production levels are still quite low therefore; no short term changes to the tasting room operation are expected. This may increase as production expands, however the tasting room is only expected to be low key for a limited range of customers. General public tastings are not envisaged to be a part of the operation.

The application was duly advertised and no objection or notice of desire to be heard has been received.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s.131 of the Act. We renew the licence on the existing terms and conditions until 4 December 2022, that being three years from the first anniversary of the licence.

Due to a practice direction from the Alcohol Regulatory and Licensing Authority we authorise the issue of a replacement licence with a new number and notice of renewal.
