DECISION (ON THE PAPERS)

This is an application by Partnership of Paul Anthony Tutton, Olga Sienko -Tutton , Vicki Anne Tutton & Lindsay Mark Hill, trading as The Boneline an on-site special licence in respect of premises situated at 3 Church Road, Glenmark and known as Glenmark Domain

The nature of the particular event for which the licence is sought is North Canterbury Wine and Food Festival with the days and hours authorised for the sale of alcohol being Sunday 08 March 2020 from 10.30am to 4.30pm. The licensed area is undesignated and is the fenced "Oaks" area of the Glenmark Domain.

The sale of alcohol must cease promptly at 4.30pm.

The off-site special licence sought by the applicant only permits the sale of un-opened bottles of the licence holder's own products at the North Canterbury Wine and Food Festival.

A separate overarching on-site special licence will be held by Brown Bread Limited for all sales of alcohol to be consumed at the venue.

The Tutton, Sienko - Tutton, Hill Partnership has held an off-licence for the Waipara West / The Boneline winery since December 1996. The winery has a cellar door and makes remote sales of alcohol from their website. The winery has promoted and sold their wines at special licensed events in Hurunui and other districts. The partnership holds a special licence for the weekly Lyttelton Farmer's Market.

Duty Managers

Three duty managers were named in the application and they are duty managers at the Boneline winery.

- Vicki Tutton has held a manager's certificate since December 1996 and is a licensee of the winery.
- Jack Hill has held a manager's certificate since April 2018.
- Brittney Duval has held a manager's certificate since December 2017.

*Only one duty manager's name is to be displayed at any time; i.e. the person who is the duty manager at that time.

The applicant is reminded that NO BYO ALCOHOL is permitted to be taken into special licensed events. There have been instances at previous festivals where stallholders have taken alcoholic products (other than their own) into the venue.

Condition

The Licensing Committee impose a condition on this licence:

- Requiring the stall duty manager, or an experienced representative, to attend the pre-event on-site briefing, and
- The stall duty manager then conduct, a briefing for their stall staff on the information provided at the briefing.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.
