DECISION (ON THE PAPERS)

This is an application by Thomas Family & Friends Wine Company Pty Ltd for an on-site special licence in respect of premises situated at 3 Church Road, Glenmark and known as Glenmark Domain

The nature of the particular event (or series of occasions or events) for which the licence is sought is North Canterbury Wine and Food Festival with the days and hours authorised for the sale of alcohol being Sunday 08 March 2020 from 10.30am to 4.30pm. The licensed area is undesignated and is the fenced "Oaks" area of the Glenmark Domain.

The sale of alcohol must cease promptly at 4.30pm.

The off-site special licence sought by the applicant only permits the sale of un-opened bottles of the licence holder's own products at the North Canterbury Wine and Food Festival.

A separate overarching on-site special licence will be held by Brown Bread Limited for all sales of alcohol to be consumed at the venue.

The Thomas Family and Friends Wine Company Pty Limited, trading as Greystone Wines/Muddy Water, holds both on and off-licences for the winery cellar door. The winery has previously sold their wine at the Waipara/North Canterbury Wine and Food Festival.

The applicant has named Alissa Millar as the stall duty manager for this event. She has been employed at Greystone Wines in Waipara since 2016. Her role is primarily the winery's marketing and events manager, which includes her being the duty manager at

Greystone/Muddy Water stalls at the South Island and North Canterbury wine and food festivals. She is considered a suitable person to manage the winery stall.

Signage will be supplied to the festival organisers for distribution to stall holders.

Signage must be displayed at the stall in a prominent manner, and is to include:

- the special licence,
- the full name* of duty manager,
- no sales to minors or intoxicated persons signs,
- free water availability, and
- transport options.

*The full name of the duty manager means – full first name and surname and these must be clearly visible. The sign may also include a nickname or name commonly known by.

*Only one duty manager's name is to be displayed at any time; i.e. the person who is the duty manager at that time.

The applicant is reminded that NO BYO ALCOHOL is permitted to be taken into special licensed events. There have been instances at previous festivals where stallholders have taken alcoholic products (other than their own) into the venue.

Condition:

The Licensing Committee impose a condition on all the off-site stallholders' special licences requiring:

- The stall duty manager (or an experienced representative) to attend the on-site briefing held, by the event organiser and duty manager, prior to the commencement of the festival.
- The licence holder will subsequently brief all their stall staff, prior to the commencement of the licensed period. This is to ensure they are aware of their roles and responsibilities, and the special licence conditions for the event.

In their reports, the Police, Medical Officer of Health, and District Licensing Inspector have raised no matters in opposition to this application.

We are satisfied as to the matters to which we must have regard as set out in s. 142 of the Act and we grant the applicant an on-site special licence authorising the sale and supply of alcohol, to any person attending this occasion or event.

The licence may issue immediately.
