Subject: Freedom camping.

I have a campground at 9 Fowlers lane Hanmer Springs. Who monitors freedom campers parking up across the Road before the McIntyre road and up there.

I am sick of Freedom Campers going over to our Campground using our facilities then refusing to pay. When I tell them I pay the power and the Toilet paper and hand cleaners and staff to clean up after them and they should help pay towards the cost, they become very abusive. Someone is going to get hurt on one of these confrontations, as I told one group to get out of my kitchen if they won't pay towards cost, and I took another groups washing back to my office and locked my laundry door.

When they came over to collect. I made them pay \$5 before giving back their washing. They said they would come back and smash up the place at night.
