Subject: bylaw freedom camping

I am in favor of the proposed bylaw.

however I noted that over the last 2 years during the Xmas holiday a large group of freedom campers (most without toilet facilities) is using the Waipara river area on both sides of the SH1 bridge (but on the Waipara side). Although this is likely Ecan area there is no control whatsoever during that period as it is Xmas holiday. I suggest that there will be at least 1 control done each week in this area to check legibility of freedom camping.
