Waiau - We are a community that has worked hard over many years to make our village an attractive venue to visit and stay.

The biggest problem with freedom camping will be waste, human and domestic. Is that the look the Council wants for our area, I am done and the locals don't want it.

Who would be responsible to police these campers? They have been in the media headlines a lot in the past months, our community has had enough stress over the last two years, we don't need anymore.

We have a very maintained, reasonably priced, user friendly camping ground already in our township. We can see how other communities have been plagued by these travellers and the lengths that they have had to go to deal with them.

We just don't have the manpower, many of us are trying to get ourselves and our families back on track.

Please note: Your name and contact details are required for transparency and the decision-making process. It also means we are able to update you on progress. All submissions will be publicly available through inclusion in Council agendas and/or retrievable by request under the Local Government Official Information and Meetings Act 1987.

ANOTHER THING: CRIME - OFTEN IN OTHER TOWNSHIPS THIS HAS INCREASED WHEN THE FREEDOM CAMPERS COME, THEIR, INTIMIDATION (YOUNG AND OLD) AND WE HAVE NO POLICE CLOSE BY TO SUPPORT US - WE HAVE TO LOOK AFTER OUR OWN PEOPLE
