RESOURCE CONSENT APPLICATION – RECREATION ACTIVITY CONICAL HILL

Please find attached a resubmitted resource consent application for the Recreation Activity at Conical Hill, Hanmer Springs.

The applicant has made changes to the original proposal that affect the scope of the original application as notified. The changes are described in addendum documentation, which includes an assessment of the effects of the changes to the proposal. As with the original application the applicant is seeking the proposal be subject to public notification.

As has been requested by the Council the applicant has re-submitted the application and addendum documentation as a new application.

This means that the application now submitted consists of:

1. Information provided in relation to the original resource consent application being:
 - a. Resource Consent Application – Hanmer Ride Conical Hill – Final.pdf
 - b. Appendix One – Landscape and Visual Assessment
 - c. Appendix Two – LVA Graphic Attachment
 - d. Appendix Three – Recreation assessment
 - e. Appendix Four – Noise Assessment
 - f. High Level Geotechnical Report
 - g. Parking Assessment
2. Information provided in relation to the addendum to the original application being:
 - a. Addendum to Application June 2021
 - b. Addendum Appendix One Landscape and Visual Assessment
 - c. Addendum Appendix Two Graphic Attachment
 - d. Addendum Appendix Three Visual Simulations
 - e. Addendum Appendix Four Noise Assessment.

Please note that Appendix 2 in the original application being *Appendix Two – LVA Graphic Attachment* has been superseded in total by the Graphic attachment and visual simulations in Appendices Two and Three of the Addendum. The original information has been re-submitted for completeness.
