**MINUTE 2**

**EXTENSION OF TIME FOR FILING OF EVIDENCE**

- 1        The Applicant for Hanmer Springs Thermal Pools & Spa has sought an extension of time for the filing of specific expert evidence from a rural veterinarian on potential effects on horses using the adjacent existing track to the proposed Hanmer Springs Flyride. The Applicant proposes to now file that specific evidence by 5pm on Monday the 27<sup>th</sup> of September 2021.
- 2        Given that this is a matter that is raised in submissions and by the reporting officer in the Section 42A (of the RMA) report, I consider it is of relevance to the hearing and I am prepared to grant the extension.
- 3        In order to ensure that no party is prejudiced by that decision, I have extended the timeframe for any submitter who intends to provide expert evidence on the specific issue associated with the potential effects on horses using the track adjacent to the proposed Hanmer Springs Flyride to 5pm on Monday the 4<sup>th</sup> of October 2021.
