

IN THE MATTER OF THE RESOURCE MANAGEMENT ACT 1991

AND

IN THE MATTER OF THE HANMER SPRINGS FLYRIDE APPLICATION, HANMER

LOCAL AUTHORITY HURUNUI DISTRICT COUNCIL

MINUTE 5

CLOSURE OF HEARING

- 1.0 I have now had the opportunity to review the right of reply by the Applicant and the associated conditions proposed and I am satisfied that the hearing does not need to be reconvened and that I do not require any further information.
- 2.0 As of the 23rd of December 2021, the hearing is closed.
- 3.0 I propose, pursuant to s37(1)(a) of the Resource Management Act, to extend the timeframe for issuing the decision to 24 working days and will issue the decision on or before the 11th of February 2022. In extending the timeframe I have taken into account the interests of all parties involved in this process who would be directly affected by the extension and the interests of the community in ensuring that an appropriate assessment of the effects of the proposal is undertaken. In this regard I note that I am away from the office for an extended period during the summer holidays which is couple with the fact that the scale of the application and information received, the complexities involved and the matters that I need to consider in reaching a decision warrant the extension of time.
